

# Charging Post For commercial use

## Charging Post

<b>Model:</b> RV-CP-7K/11K/22K	
<b>Product Name</b> Charging Post	
Size	φ450mm (W406*H450*D162)
Weight	7.5kg
Rated Power	7kW 11kW 22kW
Input/ Output Voltage	Single-phase 230V Three-Phase 400V
Input/ Output Current	32A 16A 32A
Frequency	50Hz±1Hz
Protection Degree	IP65
Communication Method	LAN/ Wifi/ 4G (optional)
Connector	IEC Type2 with 3.5 Meters Cable(5moptional)
Communication Protocol	OCPP1.6J ( can updated to 2.0)
Payment Method	NFC/ RFID/ Plug and Charge/APP ( optional)
RCD	Type A 30mA + DC6mA/ Type B
EMC	Class B
Operating Temperature	-25°C~55°C
Relative Humidity	5%~95%
Protection Function	Over current protection, over voltage/under voltage protection, over temperature protection, lightning protection, short circuitprotection, ground fault protection, etc.
Metering	MID Meter
Function Extension	Extended Bluetooth, Load Balancing System
Standard	IEC61581-1:2017, IEC61851-1:2019, IEC62196-21-2:2021
